

# CLASSICAL CHRISTIAN ACADEMY – Uniform

At Classical Christian Academy, we require students to attend school in uniform. Our policy has numerous benefits. A uniform offers families a clear and professional standard in keeping with the calling and role of students, eliminates distractions and expenses associated with competing styles and trends, reduces the stress of clothing selection through cost-effective options, and creates a united look and culture in which students can focus, thrive, and feel comfortable. Please refer to our full policy in the Parent-Student Handbook for more details. The information below serves as a quick-reference guide and overview.

## **All dress uniform items must be purchased through Lands' End, if specified.**
