

# CLASSICAL CHRISTIAN ACADEMY – Uniform Policy

The intent of the Uniform Policy is to promote aesthetic beauty, modesty and dignity in style and school unity. “*Be respectful. Be modest. Be diligent. Be clean.*” The policy may not be inclusive of current styles or trends. Hair should also be neat and clean. **Unless specified, all dress uniform items must be Dennis, Royal Park, Land’s End or School Apparel brands only.** Standard uniform items may be purchased at the store of parents’ choosing. The CCA logo is required on all uniform sweaters, polo shirts and sweatshirts, regardless of where they are purchased. Sweatshirts are only to be worn over a collared uniform shirt. All shirts and blouses must be tucked in at all times. Pyramid Printing in Coeur d’Alene will embroider the CCA logo on uniforms for a fee.

All students (Pre-K-12<sup>th</sup>) will be required to wear the dress uniform on dress uniform days, for special occasions and on field trips (unless otherwise specified by their teacher). The standard items are optional items for use on non-dress uniform days. Students may attend school in their dress uniforms on any school day.

All skirts and jumpers must be no shorter than the middle of the knee. Girls are recommended to wear bike shorts or leggings under skirts. Jeans, capris, and pants are not allowed under uniform. On P.E. days, bike shorts or leggings are required for girls in grades K-6.

Students in grades 6 -12 may change for P.E. Students may purchase a CCA P.E. shirt. Only CCA P.E. shirts and approved CCA apparel items may be worn outside of P.E. when students are allowed to remain in gym clothes until the end of the day.

No student may attend class out of dress code. Any student wearing clothing other than outlined in the policy will be asked to comply with the policy. Students not in compliance with the dress code may be sent home in order to correct the violation. Some violations may require that the parent/guardian be contacted.

Due to changes in style, preference and/or product availability, adjustments to the uniform policy may become necessary. Every effort will be made to minimize the difficulties for families when changes do occur.

The Dean of Students is responsible for the determination and enforcement of the uniform policy.
