

Greetings:

You are receiving this letter because we believe you are someone who sees the value in investing in our community's next generation. Please consider partnering with Classical Christian Academy (CCA) for our annual Royal Raffle and Benefit Ball fundraising event.

By God's grace, Classical Christian Academy exists to provide a Christ-Centered, Classical education firmly rooted in Biblical truth. While marking its 24th year of service to North Idaho and Spokane area families, Classical Christian Academy currently has the privilege of educating students from Pre-Kindergarten through 12th grade. Our focus is to develop young people who will possess a passion for learning, love and serve God with distinction in society, and work to transform our community for Christ.

The Royal Raffle and Benefit Ball is CCA's primary fundraiser and this event will be held March 9, 2019. Historically, this evening has successfully drawn several hundred people from the surrounding communities. With your help, we hope to make this benefit our best year yet!

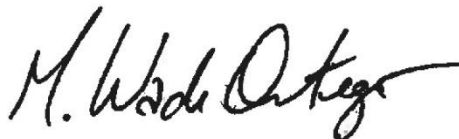

Classical Christian Academy invites you to participate as an event sponsor and/or donor. The sponsorship levels are referenced on the enclosed sponsorship sheet. Other ways to contribute would be providing merchandise or services for the silent or live auctions. All sponsors will be recognized at the event.

The broad variety of donations from supporters like you has helped make this event successful. If you have donated before, thank you! We hope you will consider donating again. If you have not previously donated to our auction, please consider a contribution this year. Last year, the Royal Raffle and Benefit Ball raised over \$90,000 that was applied directly to Classical Christian Academy's Mission. This year, our goal is to raise \$100,000.

Classical Christian Academy is a 501(c) (3) organization, allowing donations to be deductible to the extent permitted by law. Tax ID# 82-0483395.

Thank you in advance for your consideration and partnership.

Yours truly,

M. Wade Ortego, Head of School, and the RRBB Planning Committee
